

SNAP/BUTTON/VELCRO

AGAINST FOLD OF FABRIC

HOW TO:

Place pattern on fabric and cut two pieces.

8mm seam allowance is **INCLUDED** in the pattern so there is no need to add any extra.

Place fabric pieces right sides together and sew all the way around, leaving a small opening of about 2.5cm.

Turn right side out through the opening. Iron the seams well and topstitch around the edge.

Add snap/velcro/button, and you're done!
